Effective: June 26, 2023

Title: Mental Health Clinician

Position Number: C362005

Program: Bangor Health Center	Salary Range: \$48,198 – 70,780 per year	Status: Regular Full Time; 37.5 hrs/wk
Benefit Eligible: <input checked="" type="checkbox"/> Yes <input type="checkbox"/> No	Office Location: Bangor	Union Eligible: <input checked="" type="checkbox"/> Yes <input type="checkbox"/> No

Basic Responsibilities:

Provides efficient and effective clinical psychotherapy and/or case management services to assigned customers; identifies/intervenes in mental health needs, alleviates crisis and ensures stabilization of youth/families in the community, school and/or agency sites. Provides assessments, develops service/treatment plans, reviews effectiveness of goals/services, and ensures services are documented to all applicable standards. Works under indirect supervision, functioning as a member of an integrated school-based health center team.

Summary of Required Qualifications:

- Master's degree in social work, psychology, or counseling with appropriate state licensure, certification and/or endorsement. LMSW licensure preferred.
- At least two years' experience in therapy or counseling.
- Demonstrated diagnostic and case reporting skills.
- At least 1 year experience and training in the examination, evaluation, and treatment of minors and their families.
- Ability to work independently and as part of a team: including the ability to be punctual; manage time and crisis situations flexibly and effectively; and demonstrate good judgment.

Summary of Essential Job Functions:

- Assess the needs/wishes of customers (and their families as applicable) through a person/family-centered process.
- Develops, implements, documents, monitors, and reviews treatment plans and progress related to goals and objectives, including customer and family stability and effectiveness of services.
- Provides crisis intervention, assessment, outpatient therapy, case management, therapeutic intervention, RAAPS (risk) assessment, and other services as needed.
- Links and advocates with other agencies to ensure customers receive needed health and human services.
- Acts as a resource to youth, families, school personnel, and agency staff.
- Intervenes with individuals, families, or groups in coordination with the service/treatment plan to enhance or restore the capacity for emotional/social functioning in the home/school/community.
- Prepares all necessary reports, as needed, for grant requirements and/or in coordination with other professionals/organizations.
