

Van Buren Community Mental Health

EMPLOYMENT OPPORTUNITY

Effective: November 27, 2023

Title: Mobile Crisis Team Supervisor

Position Number: A333010

Program: Intensive Crisis Stabilization Services	Salary Range: \$56,641 - \$78,169 per year	Status: Regular Full-Time; 37.5 hrs/wk
Benefit Eligible: <input checked="" type="checkbox"/> Yes <input type="checkbox"/> No	Office Location: Hybrid - Paw Paw & Remote	Union Eligible: <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No

Basic Responsibilities:

Oversees program development of mobile crisis services for youth with SED and/or IDD, or co-occurring SED and SUD, and their parents/caregivers in Van Buren County. Ensures crisis intervention response services are provided in home and community settings in order to connect youth in crisis with appropriate therapeutic options. Promotes interventions that alleviate need for detention, jail, or emergency room services. Coordinates VBCMh intern program.

Summary of Required Qualifications:

- Master's degree in social work, counseling or psychology with appropriate licensure.
- At least 2 years' clinical experience in community-based mental health services, including crisis intervention and response.
- Demonstrated leadership skills to carry out supervisory tasks and function as a member of the team. At least 1 year of supervisory experience preferred.
- Demonstrated ability to provide effective crisis stabilization services to youth with SED, I/DD and/or co-occurring SED/SUD.
- Proficient computer skills for efficient and accurate completion of electronic medical records.

Summary of Essential Job Functions:

- Ensures that the Mobile Crisis Unit is planned, organized, staffed, and evaluated.
- Recommends for hire, evaluates, trains, disciplines, and provides clinical consultation to assigned staff.
- Coordinates after-hours on-call schedules, including providing shift coverage as needed.
- Provides crisis intervention consultation services to staff providing after-hours crisis services.
- Delivers needs/risk assessments in crisis situations due to emotional, behavioral or psychiatric difficulty.
- Provides and ensures the delivery of community-based crisis intervention, de-escalation and immediate crisis-focused treatment to youth and their families during identified emergent situation to resolve the presenting crisis and prevent/reduce the need for care in a more restrictive setting.
- Provides and ensures referral services to the least restrictive setting appropriate to customer need. Ensures proper referral and follow up for those whose need is found to be for services elsewhere.
- Ensures adequate liaison with other community services.
- Acts as intern program coordinator with local school personnel, including ensuring documentation is in place to facilitate placements, communicating opportunities within VBCMh, and resolving any concerns with placements.
- Coordinates between intern candidates and VBCMh intern supervisors to enhance services and quality of placement experience.
- Develops systems for agency-wide successful onboarding of intern in conjunction with intern supervisors.
