Effective: February 26, 2025

Title: Mobile Crisis Clinician

Position Number: C410910

| | | |
|--|---|--|
| Program: Crisis Services | Office Location: Paw Paw/Remote Hybrid | Status: Full-Time (37.5 hrs/wk) |
| Union: <input checked="" type="checkbox"/> Yes <input type="checkbox"/> No | Benefits: <input checked="" type="checkbox"/> Yes <input type="checkbox"/> No | Salary Scale: \$49,166 - \$72,202 per year |

Basic Responsibilities:

Serves as an integral member of the mobile crisis team, providing immediate support to individuals experiencing mental health crises & emotional distress. Conducts assessments, de-escalates crisis situations, & provides appropriate interventions to ensure the safety & well-being of customers. Provides crisis services to individuals wherever they are; including home, work or anywhere else in the community where the individual is experiencing a crisis. Works under indirect supervision, functioning as a member of an integrated mobile crisis team.

Summary of Required Qualifications:

- Master's degree in social work, psychology, or counseling with appropriate state licensure, certification and/or endorsement. LMSW licensure preferred.
- At least two years' clinical experience in community-based mental health services, including crisis intervention and response.
- Demonstrated diagnostic and case reporting skills and ability to provide effective crisis stabilization services to youth and adults.
- Michigan driver's license with acceptable record and own transportation to deliver services in locations that may or may not be barrier-free.
- Ability to work independently and as part of a team, including the ability to be punctual; manage time and crisis situations flexibly and effectively; and demonstrate good judgment.

Summary of Essential Job Functions:

- Provides & documents direct clinical services, including crisis intervention, de-escalation, safety-planning, assessment, and service planning.
- Assesses the needs/wishes of individuals and families through a person/family-centered process.
- Facilitates the coordination of services to meet individual needs, links customers to community resources, coordinates with primary care and advocates for the least restrictive environment.
- Coordinates services of the crisis team with police, schools, community agencies, etc. to identify and obtain resources and services in a psychiatric crisis.
- Provides coordination and follow-up for customers after crisis resolution and assists in obtaining necessary additional services to ensure quality care.
- Assists individuals/families in developing natural supports to increase success in the community.
- Intervenes with individuals, families, or groups in coordination with the service/treatment plan to enhance or restore the capacity for emotional/social functioning in the home/school/community.
